

180 years of Eastmoor: its people and their houses

This community project will celebrate the
architectural and social heritage of Eastmoor

from the small Victorian settlement that was centred on Stanley Road
to the later council estate that was built in the 20th century

Are you interested in learning new skills while finding out about the area?
Would you like to contribute to an exhibition that will be hosted at
St. Swithun's Community Centre and Wakefield Library?
