

My back-to-back...

My little house

Yards for the bins

Bricks, slates and stone

A few fine features too

Come and explore

Keep history alive

Think what used to be

Over 100 years ago

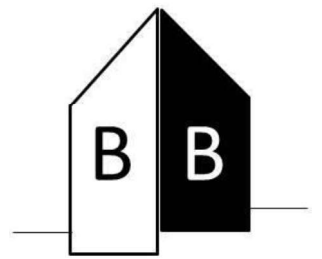

Buildings tell stories

Always watching, always listening

Communities galore and I

Know I belong

*My back-to-back...*

*My home, my place*

*Young and old pass through the door*

*Haven, safe place and family time*

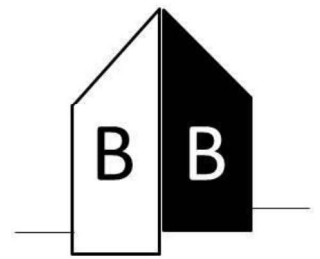

*Outside the street is alive*

*Up the winding stairs to the attic*

*Sneak a peek across the city*

*Everything's calm, and I savour my privacy*

Harehills...

Harehills is a great little place

Amazing diversity

Rich, warm and welcoming

Everyone belongs

Happy times, sad times

It's where life unfolds

Listen to the buzz

Look at the sights

Sit on your steps and watch the world go by
